

Preschool Offerings

2025-2026 School Year

September 2nd to May 29th

Monday through Friday

Ages 3-5 (flexible)

Available Schedules

We will be prioritizing full-time enrollments over part-time enrollments. We feel that our program does best and the kids do best when they are here full-time. Relationships become stronger, the curriculum is more cohesive, and the kids are more successful day-in and day-out during their time here. Full-time enrollment is considered Monday through Thursday OR Monday through Friday

Drop-off is from 8:00 to 8:30 AM. Pick-up is from 3:30 PM to 4:30 PM.

Full-time: Monday through Thursday with optional Friday add-on

Part-time: 2 days/week (either Monday/Tuesday or Wednesday/Thursday)

Monthly Rates

Full-time: \$890

Full-time w/ Friday add-on: \$1110

Part-time: \$490

We understand that the cost is a factor for many families, so if this is a factor for you, please look into early learning scholarships offered through the State of Minnesota and the Northland Foundation. Since we are a 3 star rated Parent Aware program, up to \$10,166 can be awarded annually to be put towards childcare at our program. To learn more, search Early Learning Scholarship or send us a message. If you don't meet the income qualifications for the scholarship and the cost is still a limiting factor for you, please let us know and we can try to find another solution!

Next Steps

2. New families/children, please mark our open house on your calendar. We will be having an open house on **Saturday, February 15th from 10 AM to 12 PM**. All new families/children must attend or contact us to find another time to meet before we can consider your application.

You will have **one week** from when we notify you to accept the offered spot and send in a non-refundable deposit of \$150. This deposit will **not** count towards the first month's tuition.

Updates for 2025/2026 School Year:

As our school continues to grow and evolve, we are excited about adding new teachers to our staff. We are confident that this will continue to increase the quality of our program while also allowing us to offer programming on a more consistent basis throughout the year. We have traditionally followed a school year calendar, taking breaks throughout the school year. Our hope for the upcoming school year is to offer programming during portions of the entirety of these breaks to help families find care during these times.
